

# FULL SPECTRUM AMINO ACIDS

Vytal Nutrition has Specially formulated and scientifically balanced their full spectrum of amino acids for body builders, power lifters and professional athletes. This formula contains a balanced blend of ultrafast digesting amino acids to your muscles, to support muscle growth after training. Amino acids are also vital to reduce muscle breakdown after and during intense training.

1,000/ 300mg capsules.

Vegetable capsule

RRP: £24.99 (1000 capsules)

Vytal aminos contain 18 different Amino Acids covering all your essentials plus all your branch chain amino-acids and all your growth hormone and Glutamine. Take aminos with your carbohydrate drink to accelerate glycogen storage and increase rapid recovery after intense training.

Directions: Take ten capsules throughout the day, or as personally required.
